The RheinMain CongressCenter is Wiesbaden's largest congress and event centre with a unique feel-good atmosphere that is not only due to its architecture.

Two large halls and numerous multifunctional event rooms of various sizes offer maximum flexibility, and provide the perfect and individual setting for events of any kind.

**!** Did you know that the large halls can be accessed by cars and trucks? Huge gates allow ground-level access to Halle Nord and Halle Süd from several sides.

## Ideal for events such as

- + Congresses or trade fairs
- + Exhibitions or conferences
- + Conventions and large-scale events
- + Digital and hybrid live events
- + General meetings and employee events

## Location of the venue

Kurhausplatz 1 | 65189 Wiesbaden | Germany

[kurhaus.wiesbaden.de/en](http://kurhaus.wiesbaden.de/en)

The landmark with character and a distinctive design combines historical architecture with the most modern comforts. A popular meeting place in town, it makes events held there shine in special splendour.

Eight rooms and salons that can be rented are arranged around the heart of the building, the Friedrich-von-Thiersch-Saal, or Friedrich von Thiersch Hall, and the extraordinary, 21-metre high domed foyer. The north wing also accommodates the table games of the Spielbank Wiesbaden casino and a public restaurant.

**!** Did you know that the Spielbank Wiesbaden casino is one of the oldest in Germany? It is located in the former wine hall of the Kurhaus and can be booked for incentive events.

## With Kurhaus Colonnade and outdoor areas

The Kurhaus Colonnade, built in 1827, is located next to the Kurhaus and, at 129 metres, is considered the longest columned hall in Europe. Three additional function rooms are available there for exclusive events.

The outdoor areas in the adjacent Kurpark provide an ideal setting for outdoor events and receptions. The concert square with concert shell can be rented for up to 5,000 guests, for example.

**!** Well hidden, but super convenient: underneath the Bowling Green there is a two-storey underground car park with direct access to the Kurhaus.

## Ideal for events such as

- + Conventions and congresses
- + Exhibitions and product presentations
- + Concerts, galas, and evening events
- + Award ceremonies, graduation ceremonies, and festive receptions
- + Guest performances
- + Employee events
